

# GO | NEY, KANUN, LAPTOP & MULTICHANNEL SURROUND SOUND

PERFORMANCE TIME: 1 hour

The following technical rider is sufficient when the work is performed in a medium-sized hall with capacity up to 250 people. The model and number of speakers may vary accordingly. The two instrumentalists (ney and kanun) are positioned on stage and the laptopist in the centre of the hall surrounded by the audience. The loudspeakers are placed in a circular fashion around the hall.

PROVIDED BY THE VENUE

## AUDIO

- 8 x GENELEC 8050b Loudspeakers or equivalent with speaker-stands.  
Configuration: L, R, L<sub>sur</sub>, R<sub>sur</sub>, L<sub>rear</sub>, R<sub>rear</sub>, C<sub>front</sub>, C<sub>rear</sub>.
- 1 X Subwoofer
